PUBLICITY

Surs Cure for Corporate Dis-

The startling disclosures of cor-perate mismanagement in the last ten years have brought about a general feeling that publicity of corporation affairs is both neces-sary and desirable for the future well-being of all corporations. This rublicity may be affected in many ways and should give the public as well as the stockholders such in-formation as will eliminate all pos-sible chance for corruption and miamanagement.

sible chance for orruption and minimanagement.

In the past, managers of some corporations have operated their business in a more or loss arrogant fashion, persistently refusing to fashion, persistently refusing to the control of t
